and had heard of so many cures by the Cuticura Remedies that I thought I would give them a trial. The improvement was noticeable in a few hours, and before I had used one box of the Cuticura Ointment her feet were well and have never troubled her since. I also used it to remove what is known as "cradle cap" from her head, and it worked like a charm as it cleansed and healed the scalp at the same time. Now I keep Cuticura Ointment on hand in case of any little rash or insect bites, as it takes out the inflammation at once. Perhaps this may be the means of helping other suffering babies.
